RE: Supply Constrains Fruit Juice Gels 3352, 3353, and 3354

Please note we had an interruption in our supply chain which affected below items causing constraints and potential shortages for the next 1-2 months.

3352 36/4oz Orange Fruit Juice Gel
3353 36/4oz Strawberry Fruit Juice Gel
3354 36/4oz Cherry Fruit Juice Gels

Below are substitutions for contracted business:

419 36/4oz Pineapple in Juice

Our supply team is working on ramping up additional production and expediting replenishment to our distribution centers.

Thank you for your understanding with this matter.
