

April 4, 2022

Dear Valued Customer:

We are writing to inform you of a system transition that may cause a minor delay in the order confirmation and invoicing of the foods you purchase from Aspire Bakeries.

On Friday, April 22, 2022, we will implement the final transition of our systems from ARYZTA to Aspire Bakeries technology platforms. As a result, our ordering and invoicing systems will experience downtime starting after business hours on Friday April 22 and resuming Tuesday morning April 26.

No action is required on your part. Please continue to place your orders as usual, expecting that there may be a minor delay in your order confirmation and invoicing while our systems are offline April 22-26.

Our Aspire Bakeries Inventory Centers will continue to operate during this time, and our system transition will not impact food delivery.

If you have any questions, please reach out to your Aspire Bakeries contact. We value your business and apologize for any inconvenience this may cause.

Kind regards,
Dan Wartalski
Vice President, Customer Service and Logistics
