SUBJECT: Limited Product Availability – Bulk Oreo Grind

Due to ever increasing demand pressures, Mondelēz Int’l Inc. is experiencing shortages on all **Bulk Oreo Grind SKUs**. Below is the list of items that are experiencing supply constraints. Expected recovery will vary by SKU and is anticipated to last over the next several months. We highly recommend that **MDLZ Item Code 193200007300 4/2.5LB Medium Grind** is used as a temporary substitute. Unfortunately, we do not have an equivalent sub for the 3in Oreo Wafers.

MDLZ ID #	Description	Dot #	Est Recovery Date
193200297100	Oreo 3in Wafers	432281	Aug 2022

193200295600	Oreo Medium Grind 1/25LB	406555	July 2022

Production is currently maximized in effort to speed up recovery. We apologize for the inconvenience and we are dedicated to resolving this situation as soon as possible. Updates will be communicated if the above recovery timeline changes. We anticipate greater stability of these items in Q4 2022.
