RE: Sunny Fresh® Products

Dear Sunny Fresh® Customer,

At Sunny Fresh, we are committed to being a supplier of choice and we appreciate your continued business. We would like to update you regarding the supply status of our prepared egg products. At this point in time, we are expecting paused production in the following categories: Individually Wrapped Tortilla Wrapped Omelets, Individually Wrapped Omelets, Individually Wrapped French Toast, and a handful of bulk items as outlined below. We expect this pause to last through December 31st, 2021.

To minimize the impact to you, we have put together a list of SKUs that are paused, and the suggested replacement for each. Inventory availability on remaining items is subject to change. Please continue to work with Cargill Protein Customer Service for questions regarding orders.
