RE: Sunny Fresh® Products

Dear K12 Customer,

At Sunny Fresh, we are committed to being a supplier to K-12 schools and we appreciate your continued business. We would like to update you regarding the supply status of our prepared egg products. At this point in time, we are expecting paused production in the following categories: Tortilla Wrapped Omelets, Individually Wrapped Omelets, French Toast and Eggstravaganza®. We recognize this decision may have impacted open orders you had with us, and we apologize for any inconvenience this may have caused. We expect this pause to last through December 31st, 2021.

To assist in your menu decisions during this time and to minimize the impact to you, we have put together a list of SKUs that are paused, and the suggested replacement for each, where possible. Please continue to work with Cargill Protein Customer Service for questions regarding orders and availability of product lines.
