To our valued customers,

Due to ongoing supply chain issues, we have made the difficult decision to suspend Jones Dairy Farm item #033420, Fully Cooked Bacon slices from our Foodservice product offerings. This suspension is effective immediately and will remain in place indefinitely. We will continue to offer item #033454, Extra Thick, Fully Cooked, Cherry Wood Smoked Bacon as well as our item #033458, Ultra Thick, Fully Cooked, Uncured Hickory Smoked Bacon.

Please reach out to your Jones Dairy Farm Regional Sales Manager if you have questions or need more information.

Thank you for being a loyal Jones Dairy Farm customer.

Best regards,

*James F. Glynn*
