RE: Product Interruption Notice

Dear Valued Customer:

Michael's Bakery Products, LLC is committed to providing outstanding customer service and only the highest quality products. We understand that for you to provide the same to your customers your purchase orders must be fulfilled on time and in full.

Due to effects of the coronavirus pandemic, we are unable to obtain key raw materials needed to produce our line of K-12 products. Since these products must meet specific nutritional requirements, substituting raw materials is not an option at this time. Without these ingredients being consistently and reliably available, we have no choice but to suspend the following Bonzers product lines until further notice:

- Ultimate Reduced Fat Cookie Dough (7XXXX)
- Ultimate Reduced Fat IW Cookies (753XX)
- Gourmet Reduced Fat Cookie Dough (9XXXX)
- Gourmet Reduced Fat IW Cookies (953XX)
- Brookies (793XX)
- Breakfast Bonzer (52301)

We understand and regret that the suspension of these products will cause you inconvenience. We feel it is better to suspend these products for now rather than provide you with less than adequate and unreliable service. We always value you in the highest regard, our customer, and appreciate your understanding of this most unique situation and hope to regain your business in the near future.

Thank you.

Sincerely,
