

ADD COLD BREW TO YOUR MENU

Cold Brew is projected to have a growth rate of 20.3% between 2021 and 2026. Be part of this growing trend!

Cold Brew Coffee Directions

1. Place three Misty Valley House Blend 1.5 oz filter packs into a pitcher.
2. Fill the pitcher with four cups of water (32 oz).
3. Let steep overnight (approximately 8 to 12 hours).
4. Remove filter packs and add four cups of water (32 oz).
5. Pour over ice and enjoy!
