# IFD Paper Program Information

## Exceptional Service

IFD's Chemical and Beverage Sales and Service Consultants are committed to providing you with products and services to help you succeed in your market. Our team will work closely with you and your staff in determining your needs for hand sanitation products and equipment designed to work for your business and customer base, with a complete paper towel, bath tissue, hand soap and sanitizer program.

### **Touchless Dispensers**

Dispensers are provided at no cost, with a commitment to purchase products.

### **Installation**

The IFD Chemical/Beverage Department installs all of the IFD equipment.

### **Service**

Easy-to-replace parts or dispenser replacement provided if necessary.

### **Complete Staff Training**

IFD will train and guide your staff to properly load and use all dispensers.

For additional information please contact the IFD Chemical/Beverage Department at (715) 852-0971

## Reliable Equipment

IFD uses Companions paper towel and bath tissue dispensers as well as Intercon soap dispensers; all featuring a sleek design.

No-touch operation prevents cross-contamination providing ultimate user hygiene.

Confidence® controlled-use dispensers reduce cost by reducing usage and waste.

Automatic towel dispensers are adjustable for paper length and time delay.

## Quality Products

IFD offers white and natural Companions paper towel designed to meet and exceed industry standards.

Clearly Better Soap by Intercon is built with foaming moisturizers to keep hands feeling soft, while helping eliminate bacteria and viruses.

**Reduces Costs**  
One-at-a-time towel dispensing reduces waste.

**Innovative Dispensers**  
made from recovered plastic from the ocean.

**Improves Hygiene**  
“Touchless” dispensing minimizes the risk of cross-contamination and creates a more hygienic environment

 **Companions®**

**Recover**

REDUCE • REUSE • RECYCLE

**FROM THE OCEANS. FOR THE OCEANS.**

MADE FROM RECOVERED OCEAN PLASTIC
