Dear Valued Customer:

We are writing to update you on our **1.16z CRAISINS®** package group that has been challenged by a combination of historic demand, limited materials, and production capacity. We are expecting intermittent service interruptions on both of our Cherry & Strawberry flavors through the balance of October. Replenishment is expected at our forward distribution centers starting October 25th for the Cherry flavor and the week of November 8th for the Strawberry flavor.

We apologize for this disruption and thank you for your understanding and continued business.
