Re: K-12 Product Interruption- Bavarian Bakery line

Unfortunately, we had to make the decision to temporarily suspend the following SKUs as there is no current inventory. Labor and production challenges continue for the Bavarian Bakery product line. To properly fulfill our K-12 district menu needs, we are opting to pause production for the below items (many are new and recently released). These will be temporarily paused until February 1, 2022.

This was a difficult decision, but we know it is in the best interest of our district's product needs.

7051	Gourmet Pretzel Ro 51% WG 2.2 oz 120ct (sleeves)
7054	Gourmet Pretzel Roll-51% WG-2.7oz/108 ct
9545	51% WG Bavarian Pretzel Stick -2oz/72
9546	51% WG-Bavarian Hot Dog Roll-2.6 oz/72CT
9549	51%-WG-Bavarian Dinner Roll-2.2oz/100
9553	51% WG Bavarian Soft Pretzel Nuggets approx 256 ct
9554	51% WG Bavarian Soft Pretzel Twist Bulk 2.2oz
9555	51% WG Bavarian Soft Pretzel Twist I/W 2.2oz

Please work with your local JJSF sales rep or a representative of The Core Group for replacement items where available or visit <https://jjsnackfoodservice.com/channels/k-12/> for our full line of K-12 products.

Thank you for your assistance in this matter.
