DELICIOUSLY DETROIT STYLE.

7" X 9" GLUTEN FREE DETROIT STYLE PIZZA CRUST

Detroit style pizza turns the pizza eating experience upside down — in the best way. The thick crust is first loaded with toppings, then cheese right up the edge and the sauce last. The result is a unique pie that bakes up with perfectly crispy, caramelized cheese around the edges. Parbaked and ready to top, Rich's Gluten Free Detroit Style Pizza Crust makes it easy to treat your customers in the know to a nostalgic pizza experience or introduce a brand-new take on thick crust pie.

THICK, AIRY, CRISPY AND DELICIOUS.

TASTEFULLY ON-TREND.

Feed growing demand for regional pizza styles and thicker crusts with our true Detroit Style Pizza Crust. Customers looking for a gluten-free option will love this flavorful crust's crisp outside bite and airy center.

ENDLESS MENU POSSIBILITIES.

Our Detroit Style Crusts are a perfect fit in traditional Detroit style pizza pans for a classic take on the Oil City original. No pan? No problem — this versatile, personal-sized crust can serve as a base for gluten-free thick-crust pizzas, topped and baked any way you like.

EASY AS PIE.

Our parbaked pizza crust offers operators the flexibility and ease of a freezer-to-oven format that bakes up reliably and consistently every time with minimal skill required.
