Subject: Suspended Products

Unfortunately, supply chain issues continue to challenge our ability to meet the high demand for our products.

As we look for ways to better serve you, a temporary product suspension is a necessary step. Suspending items from our production plan will allow us to focus more efficiently on the remaining sku's.

Effective immediately, the following products are unavailable for purchase:

5067	Original Style Tenderloin	2/5 lb. 10 lb. cs.
5467	Gold N' Spice Tenderloin	2/5 lb. 10 lb. cs.
5367	Panko Style Tenderloin	2/5 lb. 10 lb. cs.
5584	Sriracha Boneless Wing	2/5 lb. 10 lb. cs.

Our intent is to resume production of these products in late Q1 2022 available for purchase in May 2022 or earlier. We will keep you updated with an exact available date and/or should anything change.

We thank you for your business.
