RE: Sunny Fresh® Products

Dear K-12 Sunny Fresh® Customer,

At Sunny Fresh, we are committed to being a supplier to K-12 schools and we appreciate your continued business. We would like to update you regarding the supply status of our prepared egg products. At this point in time, we are expecting paused production in several of our categories. We recognize this decision may have impacted open orders you had with us, and we apologize for any inconvenience this may have caused. We expect this pause to last through Summer 2022.

To assist in your menu decisions during this time and to minimize the impact to you, we have put together a list of SKUs that are paused, and the suggested replacement for each, where possible. Please continue to work with Cargill Protein Customer Service for questions regarding orders and availability of product lines.

Please work with our customer service team on your orders and needs as they will have the most up to date availability of our product lines. If you have questions in the meantime, please contact customer service at 833-535-5205 or customerservice_protein@cargill.com.

Sincerely,

Cargill Protein K-12 Business Team
