Dear Valued Customers

An Executive Order has been decreed that stipulates tariffs be levied on goods entering the US from Canada commencing March 4th , 2025.

As the tariffs introduced affect fish and seafood products, Freshwater Fish Marketing Corporation will be compelled to add a separate line charge to all invoices with the applicable tariff rate as determined by the Executive Order. This is a tax that Freshwater Fish Marketing Corporation will be required to capture and remit to the US Government as the importer of record on shipments.

Please note that this line item is revenue neutral, and all funds received from the tariff line will be remitted to the US Government as defined in the Executive Order.

Thank you for your understanding,

Sincerely,
