Dear Valued Customers,

Ventura Foods is experiencing a supply constraint on a key ingredient for our Hidden Valley® Original Ranch® products due to a wide-scale disruption at our supplier's operations. Currently, we anticipate some outages over the next two to three weeks on our Hidden Valley® Original Ranch® products.

Any Hidden Valley® products that are not the Original Ranch® flavor will not be impacted.

In the case of a shortage on a Hidden Valley® Original Ranch® item, we have identified product replacements to fill in orders temporarily. If an appropriate substitution is available for your order, the Customer Solutions Team will offer you the replacement directly.
