100279	Hummus Original Portion Cups	ZeeZee	120/3 oz

Hummus is a Middle Eastern spread or savory dish made from cooked, mashed chickpeas and seasonings generally served with pita bread. In K12, it is a great meatless protein option commonly served with vegetables, crackers, or flatbread. Check out the IW packs which are shelf stable and great for grab and go meal options.

Please contact your K12 specialist if you plan to menu this or any other new item in large quantity so we can adjust inventory accordingly.
