Breakfast Toppings

Cakes & Cupcakes

Signature Beverages

Layered Desserts

Catering – Making large quantities of speed-scratch desserts has never been easier. Use On Top® as a filling and garnish. You can even re-freeze after application.

Feeling adventurous? Try mixing in simple pantry ingredients to create customized toppings and fillings that offer your customers on-trend or seasonal flavors.

Features and Benefits

- **Versatility** - Your go-to topping solution that works well for many menu applications and multiple foodservice offerings within the same operation.
- **Stability** - Superior hold lets you prep ahead of time or use on hot applications while never sacrificing eye appeal.
- **Yield** - Innovative bag dispensing ensures virtually 100% yield to maximize profits and minimize waste.

SHELF LIFE: 365 days frozen, 14 days refrigerated unopened
Can be re-frozen after application.

PRODUCT CODE	DESCRIPTION	PACK/SIZE	KEY FEATURES
