

## Availability of SideKick's, SideKick VBlends and SideKick Celebrations Products

November 27th, 2024

Dear valued customers

We at Country Pure Foods are sending this update on the availability of our Sidekicks, Sidekick VBlends, and Sidekick Celebrations frozen novelties.

The demand for our Sidekicks has been at an all-time high after Hurricane Milton shut down production in October. Rest assured we are working on increasing capacity to meet the increased demand, however we will need to continue to limit the variety currently available.

The second page of this letter will show the items we will continue to produce. Rest assured, this is a temporary measure and we will update you when we are fully stocked on our other varieties.

We will send another update on our progress in February on the availability of our full lineup of items, in the interim the items on page 2 will continue to be available.

If you have any questions regarding this temporary supply shortage, please feel free to contact your local sales representative or Customer Service at [info@countrypure.com](mailto:info@countrypure.com). We apologize for the inconvenience and greatly appreciate you for trusting us with your business.
