RE: Transition to Natural Tallow Products

October 21, 2025

To Our Valued Customers,

We are excited to inform you about important enhancements to our SCP All Fry™ and SCP All Crisp™ product lines. Effective **December 1st, 2025**, SCP is transitioning from our current All Fry™ and All Crisp™ formulas to our new **natural versions**.

What's Changing

SCP is moving away from our traditional tallow formulas to natural, clean-label versions that eliminate unnecessary additives while maintaining the exceptional performance you've come to expect. This proactive change positions us ahead of upcoming legislation related to food additives and reflects our commitment to providing cleaner, more natural solutions for your kitchen operations.

Performance Assurance

Our extensive testing has confirmed that **SCP Natural All Fry™ and SCP Natural All Crisp™ deliver the same outstanding performances** as our current formulas. You can expect:

- Identical frying performance and food quality results
- Same extended fry life and oil stability
- Consistent flavor profiles in your finished products
- No operational changes required

Key Benefits

- **Same packaging:** Identical 35lb bottle and 50lb cube formats
- **Clean label:** Natural formulations without artificial additives
- **Regulatory compliance:** Positions you ahead of upcoming additive regulations

- **Proven performance:** Extensively tested to ensure consistent results

Implementation Timeline

Effective December 1st, 2025: All purchase orders shipping on and after this date will automatically be fulfilled with SCP Natural All Fry™ (Product Code 84132) and SCP Natural All Crisp™ (Product Code 81108).

Technical Data Sheet

Please find attached the Technical Data Sheets (TDS) with complete product specifications and performance data for these products along with images of the box labels.

Regarding **SCP Natural All Fry™**, we are not onboarding additional demand at this time so please continue to limit access to current customers. The 30-day lead time remains in place.

SCP Natural All Crisp™ is readily available and can be ordered with our standard 2-week lead time.

If you have any questions, please contact your South Chicago Packing Account Manager or our Customer Service Team.

Sincerely,
Dan Dahir
Vice President of Sales
