

# SUNRISE DISH DETERGENT

#103127 ♦ 6/38 oz  
Intercon  
Sunrise Dish  
Detergent

Contains no phosphates. Cuts grease and food soils - even baked on deposits. Rinses free - leaves a spot-free shine. Gentle, leaves hands soft - contains emollients and skin conditioners to help skin stay smooth and young looking, even in drying winter weather. Rich, stable, long lasting suds effectively cut and suspend greasy soils to prevent redepositing. Economical and effective. Industrial strength formula is an equally effective detergent for dishes, glassware, fine china, silver and flatware, pots, pans and utensils.

#### DIRECTIONS FOR USE:

Use 1 ounce of concentrate per 3 - 4 gallons of warm water, depending on soil level. Soak baked-on or dried and encrusted items for a while to allow penetrating action to lift away grease and soil. Wash items, rinse thoroughly, then sanitize with an appropriate no-rinse sanitizer.
