Dear Jones Dairy Farm Customers,

When our school bid pricing was published in February of this year, we had made note that the items listed below had a temporarily suspended status. We had hoped that we would be able to have these items back into our FS portfolio in time to accommodate bids for the first semester of the 2022/2023 school year this coming fall. Unfortunately, due to continuing production capacity issues, we will not be able to produce any of these items for at least the rest of 2022.
